About this dashboard

Data: Company financial statements (income statement, balance sheet, cash flow), annual FY2016 to FY2019 and quarterly 2019 to 2020. About 4,400 companies.

Definitions

Gross Margin % = Gross Profit / Revenue
Free Cash Flow = Operating Cash Flow + Capital Expenditures
Debt-to-Equity = Total Liabilities / Shareholder Equity

Notes and limitations

Quarterly data covers a short period. Some companies have missing years (shown blank). Balance sheet figures are year-end snapshots. GOOG and GOOGL represent the same company.
